### Costume Winners

1st Place, Linda & Rollie Walker

2nd Place, Eva, Staff Captain from Kelowna

3rd Place, Freddie and Dennis Large

Well the Invasion was a very good time, we had a lot of fun with all the costumes that showed up. Unfortunately we only sold \$1200.00 in tickets so by the time we paid for the band and the food we lost \$130.00.

But for the people that came we had a fantastic time, I encourage our members to come out to these events, we do have a lot of fun. I would like to give a big 'Thank You' to Susan Mathews and Annie Gustafson for the wonderful decorations that they did for this event. I would like to say thanks to Corrine and her kitchen staff for the wonderful food and Jay and his staff at the bar for their fantastic bar service. I would like to thank Norm and Sandra Bryan for looking after the Bocci Ball Tournament. Thanks to Karol King for getting the prizes from Okanagan Spirits. The Dinghy Races were cancelled due to windy conditions, thanks Betty for taking care of that.

## Survey Report

On July 18th, 2016 we sent a survey out to members to get feedback on various club amenities. In total we received 125 responses, which is fantastic considering we have just over 400 members. Generally the membership seems to be quite happy with the Club. The majority of respondents are somewhat seasonal, visiting mostly in the summer with the biggest factor to them being moorage of their boat. More boating related activities have also been requested, with the aim of attracting a younger generation of sailors. There were also several members who requested changes in selection at the bar, such as a more diverse wine selection, local craft beers and ciders, and a wider range of scotches. The vending machines downstairs and on the docks are also in need of an overhaul, the one downstairs barely works at all and is rarely stocked, and the one on the dock is rarely stocked either. Higher quality meats for both Friday night dinners and on the menu were also suggested.

It's been found that during boating season the majority of members will visit the yacht club from 1 - 3 times per week, and during the winter season just about 50% of members visit maybe once per month. 67 percent of those who answered reported moorage at the club being of utmost importance to them. 75% answered above 3/5 when rating the importance of using the clubhouse, with roughly 25% answering each 3, 4, and 5. Attendance of social events at the clubhouse seems to be of medium importance to most members. Activities for the kids and grand kids also came up several times. We have got a super Nintendo downstairs which is a nostalgic treasure in my opinion, but today's kids have been conditioned by the new standard of gaming technology. The foosball table downstairs is also in disrepair and could use an upgrade.

For food and drink we had a section dedicated to feedback on our bar and restaurant. 100% of those who answered have had a meal or beverage at the gang plank. 71.5% of respondents said that a food menu is a factor in their decision to visit the clubhouse. We received a total of 40 responses to the open ended question asking if there are any other services that members would like to see added to the gang plank. There were several suggestions that had been repeated by members; one recurring theme of this is the need for a better wine selection, more ciders, and craft beers, preferably local. Homemade burger patties was also a suggestion that was repeated several times, as well as extended happy hours, which has already been accomplished. As far as health conscious menu items go, over 58% of respondents answered that their presence on the menu is not of importance to them. Although 70% of respondents claimed they would be willing to pay more for healthier alternatives as long as it remains of high quality. Pre-ordered picnic lunches to take out on the boat received 37.3% of respondents saying they would not purchase these, 33.9 saying they would like it, and 28.8% saying it would be a good idea only for weekends. Purchasing water/Gatorade bottles during day received a 56.2% negative reaction.

We had 26 responses to the question asking if there is anything new that we could offer to entice members into utilising clubhouse facilities. Some highlights of this include; hosting weekly social events for club members to interact with one another, weekly Bridge games, weekly games night more activities for the kids to attract a newer generation of sailors, several members also noted that Friday night dinners specifically are too available for non members, many members also pointed out the noise level in the dining room is quite high, as well as bands being too noisy for the small venue. One member replied with lower prices.

Members also got the opportunity to voice any other suggestions for food and drink. Many said that vending machine access would be useful when the clubhouse is not operating food or drink service. The old vending machine operating downstairs is old and does not work quite as well as it should, and the one on the dock is rarely stocked and could be a great potential source of income. Gluten free options have also been a prevalent answer throughout each of the open ended questions. Better cuts of steak for Friday nights as well as homemade burger patties were repeated several times.

# 9 Tips for Towing Your Boat Safely

The improper towing of boats can create dangerous driving conditions resulting in traffic accidents. Share these tips with your clients and customers in order to help them have the best possible boating experience.

## **When towing a boat or trailer:**

Ensure that the tires on the trailer and tow vehicle are properly inflated.

Connect safety chains properly.

Make sure that your boat is properly secured to the trailer.

Check that the trailer's signal lights and brake lights are operating properly.

Ensure that the trailer is properly secured to the trailer hitch.

Secure and contain all equipment and cargo. This will keep it from shifting within the boat which can affect stability or falling out into traffic.

Allow for more space between yourself and the vehicle ahead of you. The added weight will increase the stopping distance required.

If you are traveling for an extended period stop in a safe location to make sure brake lights and signal lights are still working properly.

Exercise caution when passing another vehicle. The added weight of the boat can dramatically reduce acceleration.

Our Invasion Party was a huge success with about 50+ present, who were all in the mood to party. The music by 'Rant and Rave' kept the floor filled with dancers. Everyone enjoyed jambalaya, the theme being Mardi Gras. The contingent from the Kelowna Yacht Club had a good time as well.

## Message from Rob Mathews, Boat Show Chair

The 2016 VYC Boat Show was a great success, and was only that way because of the terrific group of volunteers that stepped up once again for us!

That fact isn't just recognized by the club as a whole, but by the large number of exhibitors. Our exhibitors are the life blood of the show and I am constantly told that the VYC show, although small in comparison to our neighbors, is a fun and successful venture year after year.

In wanting to recognize our volunteers for the 2016 boat show, a longtime supporter, Twin Anchors Houseboats stepped forward with a wonderful surprise. They have donated a retail value houseboat charter worth \$2200.00 to be given to a lucky member of the volunteer group from 2016.

We debated about the fairest way to award this prize, and it was decided to enter everyone's name who registered to volunteer into a draw. We did this at the 2016 "RIB-OFF, with the lucky winners being Duane and Susan Mather! Congratulations folks, and enjoy your fall cruise on the lovely Shuswap.

The generosity and appreciation from Twin Anchors with this gift of recognition of our volunteers speaks volumes about you the members, and how we are viewed.

Congratulations again "The Mathers"! Enjoy!

Rob Mathews

2016 Boat Show Chair.

### THE POWER OF TENS

By: Brian Gunnell

	♠ A97 ♥ K976 ♦ A874 ♣ A6	
♠ J43 ♥ J3 ♦ KQ62 ♣ J873	North West East South	♠ Q852 ♥ 8542 ♦ J3 ♣ KQ2

North East South West

1NT Pass ??

Put yourself in the South chair. Your partner opens a 15-17 1NT and you have to decide whether to invite game, or whether to bid 3NT all by yourself.

The usual benchmark for going to game unaided is "a good 9

or better". One thing that makes South's 9-count not so good is the square shape (3-3-3-4), you can almost subtract a HCP for that alone. Does this make South's hand a "bad 9"? No, not at all, look at that awesome array of intermediate cards! All those lovely Tens may not count for anything on the 4-3-2-1 HCP scale but they certainly count for something in the play of the hand, especially in No Trump contracts. So, South disregards the dismal distribution and, rejoicing in those splendid Tens, goes directly to 3NT.

Declarer has a minimum 1NT opening (and would have declined a game invitation) but, even so, 3NT is a fine contract. The black Tens protect Declarer against the enemy suits and the red Tens help Declarer to build tricks in his own suits. It will be 10 tricks on most lines of play, but check out what happens if all of South's Tens are swapped with East's lowest spot card in each suit. Now it's hard to see how Declarer can scrape up more than 7 tricks! Here's to those Tens, the most underrated cards in the deck!

# Gangplank Gossip

Wow, what happened to summer? That was fast!

On deck is our marquee Pig Roast Sept 10. Roy Bouman will be taking nominations for the honorary photo for the dessert cake...a deserving male holding a plastic pig with the caption to read, "Can you tell which is which?" Vic didn't appreciate my nomination.

The Gangplank has had a very successful summer, in spite of poor July weather, mostly due to a fantastic menu and the smiling hard working ladies in the kitchen and bar.

Many thanks to volunteers Sharon and Alick Newton, Barry and Myrna Lea stack, Jackie Jakeman, Tara Remenda and Bruce Van Peteghem, looking especially resplendent in his apron according to Vince Schmolke. Annie Gustafson sewed some tattered umbrellas that John McSweeney and Fritz Leutgeb provided stands for. Many others have contributed in some shape or form, so cheers to you all.

The new deck Doug Fleming expertly constructed has been a huge hit and has really freed up both the interior flow and BBQ congestion. Some One Buy (SOB) that SOB a beer besides Mark Chapman or Mike Pethick please.

Upcoming events are the last long weekend Monday opening for 2016, Sept 5. We are open 12-5 for menu and 5-8 for SoS BBQ. Ladies Night returns for the fall series Thursday Sept 15th and the End To End Race starting at VYC with a continental breaky Sept 17th. A combo Thanksgiving Dinner and Snowbird Farewell Dance cues up Sat. October 1st. The Turkey Dinner is open to families that don't want to participate in the dance for a reduced rate.

Winter hours commence October 12th. The last Tuesday opening is October 4th.

In the waning summer twilight, come on out to the Gangplank and use up those Yacht Bucks before we enter hibernation.

Cheers from all the staff at the Gangplank.
