# COMMODORE'S REPORT

Lawrence Johnson

Hello Members,

It has been a busy couple of months for the new Executive and we have all been getting our feet under us as we move forward with a new fiscal year for the Club.

We have some new faces on the Executive this year including Bob Gilowski as Treasurer, Betty Day as Secretary, Dan Leboe as Director and of Course Gerald Gustafson as our new Staff Captain.

A big thank-you to all of the Executive for their dedication to the Club and the countless hours of volunteer time that they give. We have an exceptional group of people on the Executive again this year to serve our Club and I look forward to working with them all and serving as your Commodore for the season ahead of us.

I look forward to seeing you all at the upcoming Christmas and New Years events, have a great Holiday season!

Sincerely,

Lawrence Johnson

## *Security Report*

Roger Price

Your Security Team has had a good year with no major events.

These dedicated team members have covered 377 shifts for 1026 hours observing and protecting your club and boats.

While doing this they have tied up boats, adjusted fenders, locked doors, and assisted latecomers docking just to mention a few things.

I think we can call that a successful year.

On another note we are losing a few of our team to attrition and warmer climates.

If anyone would like to join our team and contribute 2 or 3 hours per month please contact myself or leave your name with the office and I will contact you.

Roger Price

Team Leader, VYC Security

# PAST COMMODORE'S REPORT

Mike Thomas

## Seasons greetings everyone.

Let me begin by thanking those of you who made the time to attend our recent **October Annual General Meeting**. Judging by the impressive attendance, I know that the importance of these meetings is greatly appreciated by those of you who were there that evening. As fellow members, my wife and I have immense respect for the Democratic process which guides our Annual General Meetings, Extraordinary General Meetings, Special General Meetings and even our monthly Executive meetings.

No matter whether some of the **Agenda** items at these meetings are contentious or not, everyone has the right to express their own opinions, followed by a voting process. The outcome of the voting process may not please everyone but at least they all have the right to be heard. As your Commodore and chairman at many of these meetings, I can assure you that **all** proposals presented at such meetings are always considered, discussed and voted on with the best interests of our Club in mind. Our recent **A.G.M.** was no exception.

One of the issues which took place at this meeting, was the Election of your new **Commodore and Executive** for the year **2016**. At this time and on behalf of all the members of our Club, I wish to express our sincere appreciation to these folks for stepping up to assume their important roles for the year ahead. I also want to thank the Club for giving me the opportunity to serve the Club as your **Commodore** for the past four years. I also sincerely thank my wife Jill for acting as my Co-Commodore [not an official title] during this period. As many of you know, Jill has always been there to organise the decorating for our many social events, volunteer alongside our wonderful staff and make sure that everything was **Ship Shape and Bristol Fashion**. She has always been an invaluable asset to me and this Club.

Now that you have a new **Commodore**, my position changes to the official designation of **Past Commodore** and as such, my wife and I will continue to play an active part in the destiny of our Club in the months and years ahead.

Finally, Jill and I both wish each of you all the very best during this Holiday Season and the coming year and we hope to see many of you soon at our great Club.

*Merry Christmas and Happy New Year,*

Past Commodore Mike and Jill Thomas

# BOAT SHOW CHAIR REPORT

Rob Mathews

The VYC Boat and Sportsman show dates have been finalized!

The dates selected are April 30th and May 1st as to not interfere with Mothers Day and the Kelowna Yacht Club has moved their boat show to the weekend of April 23rd and 24th.

The theme for this year's show is extracted from the Vernon Winter Carnival. That theme is Mardi Gras, so that should bring a little extra fun to the show!

In an effort to promote the Boat Show ahead April 23<sup>rd</sup> we are entering a float in the Carnival parade. (The parade is Saturday Feb. 8<sup>th</sup> at Noon.)

This will comprise of the "Heaven Can Wait" boat, decorated and bannered with " Please come to our VYC annual Boat and Sportsman Show".

The purpose really is to advertise the show, and let people know we are active in the community.

If you have any ideas about decorating the float, or would like to help in anyway please contact your hard working staff captain

Gerald ( [ger\\_anny@hotmail.com](mailto:ger_anny@hotmail.com) )

Feel free to put forward any suggestion you may have for events at the Boat Show that tie in with the theme.

See you in the parade!

## *Publicity Director's Report*

*By Pamela Miller*

It has been a great experience being the secretary for the Vernon Yacht Club the past four years and based on our first meeting of the new board, I have every confidence Betty Day will be excellent in her new role as VYC's Executive Secretary. I look forward to taking on new challenges as Publicity Director for the Club and writing about Club news and activities in the Tiller Topics, our website's blog and social media sites.

I'm looking to help the Club with promoting our many events, attracting new members as the breakwater is built and arranging ads and marketing material. I welcome members in charge of any of these areas to contact me with their information so we can determine publicity requirements and I can get word out for you.

The Vernon Yacht Club has grown over the past years and some of our events have seen record numbers. We've also added new events such as Debbra Butler's monthly Ladies Night and Ken Hodgson's "Spring Fling" & "Fall Send-off" dances for the Snowbirds to name a few. Big events like the Boat Show and Vernon Sailing Regatta are established and very well organized and VYC is planning to partake in the 2016 Winter Carnival Parade. With plans for a new breakwater VYC will also be looking to fill the slips added to the marina and the promotion required to attract new members.

At our first board meeting:

- One of three quotes was accepted to develop a new logo for VYC. This will not affect the design of our actual burgee but add an official VYC logo that can be used on print promotional material, online communication and clothing etc.
- A decision was made last year not to carry inventory for clothing at the club and at the December 1st meeting the board decided to offer a catalogue of items that can be ordered by members.
- I'm updating our publicity & communications plan for events, community outreach and member to member requirements.

Pamela Miller

# Tiller Topics needs you!

The last three years of producing the Tiller has been most enjoyable and rewarding. It is however, time to pass on the Tiller Topics torch. I invite every member to consider taking a roll in publishing the Tiller as it is an important means of communicating events, activities and projects to our Membership. Tasks for the Tiller Topics can be divided into the following 6 general sections:

**editing**; remind contributing members to provide reports, receive reports, arrange reports in Tiller using Microsoft Publisher, add filler such as other boating articles, jokes, crosswords, recipes, VYC regalia, compile a history page (I have a box full of VYC history that could be used but just haven't had the time to put the stories together), safety articles, update events calendar, etc.

**proof reading**; once Tiller is complete this person could proof for spelling, grammer, formatting, positioning etc. and forward to Electric Paper Company.

**printing and mailing**; retrieve printed copies, print and affix the mailing labels, complete the mailing order online, deliver Tiller to Canada Post.

**website**; upload and arrange Tiller on website.

**advertising**; present and promote the Tiller to potential advertisers, correspond with current advertisers, correspond with office manager re: billing. This is an especially active role around the Boat Show.

**"reporter"**; Gather member stories, be the VYC photographer, everyone loves pictures! create articles.

I invite anyone who would like to enquire about what is involved in the Tiller to give me a call 250-503-8944 or send an email to [tiller@vernonyachtclub.com](mailto:tiller@vernonyachtclub.com). Even if you are not sure if this is something you may enjoy but are curious, contact me.

# GangPlank Gossip

Jay and Corrine

Season`s Greetings from the Gang at the Plank. The clubhouse has garnered many compliments with regards to the festive ambiance thanks to an energetic decorating committee volunteers; Linda Walker, Denise Dobie, the Thomas`s (Mike reprising his Clark Griswald role), Mathews and Gustafson dynamic duos.

Corinne is now back preparing her fabulous buffets, much to Carol Martel`s relief. A huge thank you goes out to Carol for postponing her snowbird adventure for an extra month. We all imagine her sipping a margarita by the pool getting the last laugh. Nicole Burden and stalwart Jill also helped Carol, as MJ Watson and Jill will be on kitchen detail for our sold out NYE gala. Thanks to all of our volunteers over the year.

The NYE gala with `Cheaper Than a Porsche``entertaining sold out in record time this year. Tickets need to be paid for by Dec 15, otherwise those on the waiting list get a chance to purchase unclaimed tickets. Gerald Gustafson will explain the primary event policy rules going forward.

Gangplank regular hours will be interrupted on Saturday Dec 12 and 19 for XMas parties. The SoS (steak or salmon) BBQ and caroling with Molly Boyd Friday Dec 18 and the Santa Brunch Sunday Dec 20 are wonderful opportunities to bring family and friends out for a jolly good time.

The Gangplank will be closed from Mon 21 until NYE, closed Jan 1+2, with Sunday Brunch provided on Jan 3. There will also be an additional closure to re-floor and re-equip the kitchen and bar in mid January as explained by rear Commodore Craig Williams.

Have a fantastic holiday season and don`t be a Grinch, come on down to the Gangplank, for some XMas cheer.

Corinne and Jay
