

2025 VYC WOMENS RACING

Do you love being out on the water?

Our Women's Sail/Racing season may be just what you are looking for.
The VYC Women's sailing/racing series starts on Tuesday evenings from **April 29 through June 24, 2025**.

The Sail/Racing series is for women who have already completed a sailing course, or have sailing experience. If you are completely new to sailing VYC is offering a **Learn to Sail** program which starts with 2 classroom sessions March 8 and 15, 2025 followed by 4 on the water sessions in May. Check it out under the VYC Learn to Sail section on the VYC website.

The Women's series start time is 6:00 at the VYC marina gate. You will need a life jacket, sailing gloves (open fingers, knuckles covered), and boat shoes. If you are interested in participating but don't have a boat to sail on, we will help you connect with a skipper/coach who needs crew or skipper. If you are feeling like your sailing skills need a little work we have boats with an experienced skipper/owner on board to coach the team.

Our goal is to increase the participation of women sailing and racing in the north Okanagan, and to do it safely while having fun and learning or improving our sailing skills. If you are interested, and would like to find out more, contact our women's sailing coordinator **Kate S** via email vycwomenssailing@gmail.com or contact the club office (250) 545-5518 or office@vernonyachtclub.com
