

VYC Winter Storage and Crane Services Request

Winter Storage is available for members who have assigned slips. Priority is given first to vessels that cannot easily be moved off premises, and then assigned on a first come first served basis. Members who do not have an assigned slip may apply for paid Winter Moorage/Storage and will be assigned a slip if space permits. Boats in Winter Moorage/Storage on club property must carry \$2,000,000.00 liability insurance.

We will acknowledge receipt of your storage/moorage application but that does not indicate your storage/moorage request has been assigned.

All members applying for storage must complete Section 1, Members applying for Winter Moorage must complete Section 2, Members applying for Winter Storage must complete Section 3.
